

Larry Burks – Vice Chair, OCMA Professional Development and Education Committee

Since 2006, Larry has proudly served for communities in Iowa, Nebraska and now Ohio as the Township Administrator in West Chester, Ohio. He has nearly two decades of service experience as a volunteer and public manager.

Larry's education includes a MPA in Public Management and a BS in Environmental Studies - Geography & Planning from University of Nebraska - Omaha. Larry received his professional certificate in Community Economic Development (CED) from NeighborWorks America and received recognition as an International City/County Managers Association (ICMA) Credentialed Manager. Receiving an ICMA-CM designation was an important career milestone. Larry has also presented at the OCMA annual conference.

Special interests include economic development, organizational development, strategic planning, conflict resolution, facilitation, financial condition analysis, green technology, teaching and learning.

Larry is a member of Rotary International, Golden Key International Honors Society and a Lifetime Member of the FBI Citizen Academy Alumni Association.
