

2019 OCMA Winter Conference “Passport Program”

As a way to increase value to our 2019 OCMA sponsors, we are implementing a “Passport Program” at the 2019 OCMA Winter Conference.

With check-in, each conference attendee will receive a “passport card” with sponsor destinations outlined on the card. Each sponsor will have a set of stickers housed at their exhibit table. When a conference attendee visits a sponsor exhibit table and engages with the sponsor, the attendee will receive a sticker from the sponsor to place on their passport in the appropriate destination. Conference attendees will then place their passports in a box at the registration table at the end of the conference.

The attendee with the most documented sponsor visits will receive a complimentary conference registration for the 2020 OCMA Winter Conference. If there are multiple attendees with a complete passport, a passport will be drawn from the box to determine the lucky attendee. Should a sponsor choose not to be present at their exhibit table, we will take that into consideration.

Please support our 2019 OCMA sponsors. Their contributions enable us to provide OCMA members with a top-notch conference, complete with educational sessions and networking opportunities, at a reasonable cost. We could not do so without their support.
