OCMA Corporate Partners Program

OCMA
Ohio City/County Management Association

About the OCMA Corporate Partners Program

170+

Number of Ohio cities, villages, counties, and townships managed by OCMA members

390+

Number of OCMA members across the State of Ohio

8.8+

Millions of Ohio residents who rely on OCMA members

The Ohio City/County Management Association acts as a personal and professional support system for its members. OCMA networks with other organizations to achieve excellence in local government. The OCMA Corporate Partners Program is designed to formalize and facilitate relationships while building value for the OCMA and its corporate friends.

OCMA hosts an annual conference each winter and regional training opportunities throughout the year. The association supports professional development, networking, leadership development, and mentorship through its membership benefits programs. OCMA recognizes excellence in local government through annual awards at the winter conference and communicates with its membership via a digital newsletter, membership discussion forum, and website at ocmaohio.org.

OCMA professional development events promote relationships between members and corporate partners. OCMA's Professional Development and Education Committee determines the nature of corporate partner participation at OCMA functions. The committee manages corporate partner access to individual members through official introductions, upon request.

OCMA is a 501c6 entity, and charitable contributions or gifts to the organization are not deductible as charitable contributions for federal income tax purposes.
